~~serve their clients and customers and the public. Entitlement to compensation is determined by the cooperating broker's performance as procuring cause of the sale (or lease). (Rev. 7/93, 5/96)~~

Section 3. Governing Documents

~~The Board of Directors shall cause any Multiple Listing Service established by it pursuant to this Article to conform its corporate charter, constitution, bylaws, rules, regulations, and policies, practices, and procedures at all times to the Constitution, Bylaws, Rules, Regulations, and Policies of the NATIONAL ASSOCIATION OF REALTORS®.~~

Section 4. Participation

~~Any REALTOR® Member of this or any other Association who is a principal, partner, or corporate officer, or branch manager acting on behalf of the principal, without further qualification, except as otherwise stipulated in these bylaws, shall be eligible to participate in Multiple Listing upon agreeing in writing to conform to the rules and regulations thereof and to pay the costs incidental thereto.* However, under no circumstances is any individual or firm, regardless of membership status, entitled to Multiple Listing Service "membership" or "participation" unless they hold a current, valid real estate broker's license and offer or accept compensation to and from other Participants or are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property.** Use of information developed by or published by an Association Multiple Listing Service is strictly limited to the activities authorized under a Participant's licensure(s) or certification and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey "participation" or "membership" or any right of access to information developed or published by an Association Multiple Listing Service where access to such information is prohibited by law. (Revised 7/93, 9/96, 11/08)~~

~~Mere possession of a broker's license is not sufficient to qualify for MLS participation. Rather, the requirement that an individual or firm offers or accepts cooperation and compensation means that the participant actively endeavors during the operation of its real estate business to list real property of the type listed on the MLS and/or to accept offers of cooperation and compensation made by listing brokers or agents in the MLS. "Actively" means on a continual and ongoing basis during the operation of the participant's real estate business. The "actively" requirement is not intended to preclude MLS participation by a participant or potential participant that operates a real estate business on a part-time, seasonal, or similarly time limited basis or that has its business interrupted by periods of relative inactivity occasioned by market conditions. Similarly, the requirement is not intended to deny MLS participation to a participant or potential participant who has not achieved a minimum number of transactions despite good faith efforts. Nor is it intended to permit an MLS to deny participation based on the level of service provided by the participant or potential participant as long as the level of service satisfies state law. (Adopted 11/08)~~

~~The key is that the participant or potential participant actively endeavors to make or accept offers of cooperation and compensation with respect to properties of the type that are listed on the MLS in which participation is sought. This requirement does not permit an MLS to deny participation to a participant or potential participant that operates a "Virtual Office Website" (VOW) (including a VOW that the participant uses to refer customers to other participants) if the participant or potential participant actively endeavors to make or accept offers of cooperation and compensation. An MLS may evaluate whether a participant or potential participant actively endeavors during the operation of its real estate business to offer or accept cooperation and compensation only if the MLS has a reasonable basis to believe that the participant or potential participant is in fact not doing so. The membership requirement shall be applied in a nondiscriminatory manner to all participants and potential participants. (Adopted 11/08)~~

~~* Any applicant for MLS participation and any licensee (including licensed or certified appraisers) affiliated with an MLS Participant who has access to and use of MLS generated information shall complete an orientation program of no more than eight (8) classroom hours devoted to the MLS rules and regulations and computer training related to MLS information entry and retrieval within ninety (90) days after access has been provided.~~

~~** When there is more than one principal in a real estate firm, the chief principal officer of the firm is the MLS "Participant". Brokers or salesperson other than principals are not considered "Participants" in the Service, but have access to and use of the Service through the principal with whom they are affiliated.~~

~~(a) A non-member applicant for MLS participation who is a principal, partner, corporate officer or branch office manager acting on behalf of a principal, shall supply evidence that he has no record of recent or pending bankruptcy*; has no record of official sanctions involving unprofessional conduct**; agrees to complete a course of instruction (if any) covering the MLS rules and regulations and computer training related to MLS information entry and retrieval, and shall pass such reasonable and nondiscriminatory written examination thereon as may be required by the MLS; and shall agree that if elected as a Participant, he will abide by such rules and regulations and pay the MLS fees and~~

dues, including the nonmember differential (if any), as from time to time established. Under no circumstances is any individual or firm, regardless of membership status, entitled to MLS membership or participation unless they hold a current, valid real estate broker's license and offer or accept compensation to and from other Participants, or are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property. Use of information developed by or published by an Association Multiple Listing Service is strictly limited to the activities authorized under a Participant's licensure(s) or certification and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey participation or membership or any right of access to information developed by or published by an association multiple listing service where access to such information is prohibited by law. * No recent or pending bankruptcy is intended to mean that the applicant or any real estate firm in which the applicant is a sole proprietor, general partner, or corporate officer or branch office manager is not involved in any pending bankruptcy or insolvency proceedings or, has not been adjudged bankrupt in the past three (3) years. If a bankruptcy proceeding as described above exists, membership may not be rejected unless the Association establishes that its interests and those of its members and the public could not be adequately protected by requiring that the bankrupt applicant pay cash in advance for Association and MLS fees for up to one (1) year from the date that membership is approved or from the date that the applicant is discharged from bankruptcy (whichever is later). In the event that an existing member initiates bankruptcy proceedings, the member may be placed on a "cash basis" from the date that bankruptcy is initiated until one (1) year from the date that the member has been discharged from bankruptcy.

** No record of official sanctions involving unprofessional conduct is intended to mean that the Association may only consider:

A. judgments against the applicant within the past three (3) years of violations of (1) civil rights laws, (2) real estate license laws, (3) or other laws prohibiting unprofessional conduct against the applicant rendered by the courts or other lawful authorities, and (4) findings of violations of the REALTORS[®] Code of Ethics resulting in suspension or expulsion from any member Board/Association in which applicant is or was a member.

B. Criminal convictions if (1) the crime was punishable by death or imprisonment in excess of one year under the law under which the applicant was convicted, and (2) no more than ten years have elapsed since the date of the conviction or the release of the applicant from the confinement imposed for that conviction, whichever is the later date.

Section 5. Subscribers

Subscribers (or users) of the MLS include non-principal brokers, sales associates, and licensed and certified appraisers affiliated with Participants.

~~Subscribers also include affiliated unlicensed administrative and clerical staff, personal assistants, and individuals seeking licensure or certification as real estate appraisers who are under the direct supervision of an MLS Participant or the Participant's licensed designee.~~
